

# WEEK 4

## CONVERSATION GUIDE

*THIS* Christmas

### THIS SERIES

When we think about Christmas, a few things probably come to mind: the Christmas presents (of course), the decorations, the family get-togethers, and . . . oh yeah, maybe even Jesus. In this series, you'll challenge students to make *this* Christmas the best one yet — one where they **give generously, examine their hearts, value their families, and allow Jesus to change them** from the inside out.
