

# WEEK 1

## CONVERSATION GUIDE

*Wrong Right*

### THIS SERIES

There are injustices all around us. We see injustice in big ways, in small ways, in the world around us, and in our own experiences. In this 4-week series, you'll help students see that God cares deeply about fighting injustice. Then you'll help them discover how they can **respond in Jesus' name to injustice by working to right the wrongs they encounter in their lives, their world, and even in their own hearts.**

### THIS WEEK

#### **THE BIG IDEA**
