

WEEK 2

SMALL GROUP GUIDE

LOOK & SEE

Have you ever been confident about something (like, really confident) only to find out later that you were really wrong? It happens! We're all bound to get things wrong once in a while, but when our eyes are opened to the truth, what matters is that we change our minds. But when it comes to Jesus, it's not always easy to know what the truth is or how to share that truth with others. What do we do with all of the big questions that hard to answer? Is Jesus still trustworthy even when His followers mess up or life gets hard? In this 4-week series, God invites us to look, and then see, that Jesus is someone **we can believe** in, Jesus **teaches us new things**, God can use your story to **help others see**, and **God gives us the strength** to keep following Jesus.

THIS WEEK

THE BIG IDEA

Jesus teaches us
new things.

ACTIVITY

If your group is up for it, have them pick a question that was mentioned earlier. Challenge them to spend some time over the next two weeks investigating and report back with what they discover.
